KIDS (BIRTH-6TH GRADE)

MidWeek at First Franklin is an exciting stop on a lifelong journey of faith. Each week, kids take steps forward as they grow in their relationship with God, their families, and friends. Along the way, they explore missions, worship, Bible study, & games—experiences that draw them closer to Jesus. Our mission is simple: to help the next generation find and follow Him.

STUDENTS (7TH-12TH GRADES)

What if God's Word could truly change everything? MidWeek is where 7th-12th graders gather for worship, real conversations, and teaching that challenges and inspires. We don't just hear the Bible—we let it shape who we are, how we live, and how we love. Come ready to laugh, worship loud, dig deep, and leave transformed.
